

2018 Census usually resident population and age groups by Regional Council

Title

REGC2018_V1_00_Census_2018_Age_Life_Cycle

Description

2018 Census usually resident population and age groups by Regional Council This dataset contains census usually resident population counts from the 2006, 2013, and 2018 Censuses by regional council. It contains counts by age group for the 2006, 2013, and 2018 Censuses, and percentage changes between the 2013 and 2018 Censuses. The life-cycle age groups are: under 15 years, 15 to 29 years, 30 to 64 years, and 65 years and over. The REGC2018_V1_00 regional council boundaries extend to the 12 mile limit and are as at 1 January 2018, for further information see Regional Council 2018 (generalised). This data uses fixed random rounding to protect confidentiality, for further information see 2018 confidentiality rules. For further information see the attachments included with the dataset on the StatsNZ Geographic Data Service: Information about the data, 2018 Census usually resident population and age groups by REGC2018 lookup, 2018 Census usually resident population and age groups by REGC2018.csv
