Description

<DIV STYLE="text-align:Left;"><DIV><DIV><P STYLE="margin:0 0 0 0;">Each hexagon represents a Territorial Authority or Auckland Local Board (TALB). All TALB hexagons are the same size irrespective of the geographic size of the TALB. A TALB's hexagon is placed in a position which approximates its actual geographic location in relation to its neighbouring TALBs. In this cartogram the Auckland local boards have been separated from the rest of the country. </P><P STYLE="margin:0 0 0 0;">TALB is a combined classification of territorial authorities for New Zealand and local boards for Auckland Council. The TALB hex cartogram uses TALB2013_V1_00, the definitive set of territorial authority local board boundaries for 2013 as defined by Statistics New Zealand, as at 1 January 2013. This version contains 21 local boards in the Auckland Council. Local boards fall into the Community Board classification. </P><P></P></DIV></DIV></DIV>
